

**AbunDance Yoga Retreat with Martina Cova
@ Podere Trafonti
12 to 15 October 2023**

AbunDance Yoga Retreat

Autumn is the season when we reap the fruit of labour, celebrate fertility and relish in the abundance of the harvest. It is also a time when the body and mind quieten and the gaze turns inward.

During these four days, Martina will guide you on the path that leads deep inside yourself, to a quiet and peaceful place. Gliding on your bodily movements and floating on your breath, your awareness will gradually sink inward, like the dance of the colorful leaves floating to the ground.

Each practice will combine a flow of asanas, breathing exercises and meditations that aim at stilling the turbulence of the senses and nourishing your innermost consciousness. Moving on the support of your breath, your body will grow strong, agile and balanced and your mind be filled with harmony and serenity.

Classes will be conducted in English. All ages from 18 years upward welcome. All levels of yoga experience are welcome. Min. 6 and max. 10 participants. Indoor and – weather permitting – outdoor practices. Massages available on request.

Your Teacher

Martina Cova is a yoga teacher and physiotherapist. She started practicing yoga nearly 20 years ago, at the age of 12, dedicating herself to Hatha yoga for the first 10 years and then approaching Ashtanga yoga.

Her insights, acquired through yoga and physiotherapy, allowed her to further deepen her practice and to use it as a restorative therapy.

Based on this experience, Martina founded the Physio Yoga Project (www.physioyogaproject.it), which aims at increasing the awareness of one's body and deciphering its signals in order to cure it and build lasting health. Her approach is playfully mindful, scientifically experiential and carefully personal.

Martina will guide you in a practice where yoga becomes a means of healing and a tool to increase your awareness and well-being.

“With patience and dedication we observe what manifests itself, exactly within the limits in which it manifests itself. And we let ourselves be healed with confidence.

*There must be dedication and there must be care.”
– Martina Cova*
